

## The Foxy Club

A holiday wouldn't be a holiday if the kids weren't just as happy and entertained as we're sure you'll be. To make sure this doesn't become a chore that distracts from your own enjoyment, John Fowler Holidays has designed their holiday parks to include all the fun and excitement your children could possibly want.

Apart from exciting play areas, supervised heated swimming pools and games rooms, this also includes the special Foxy Club where Freddy T. Fox takes your children off your hands and leads them through hours of supervised fun and games.

Accompanied by experienced and trained staff, your children will experience enough fun and excitement to have them chatting about it for many months to come. They will have great fun playing treasure hunt and other exciting games as well as enjoying sing-alongs and making cool stuff to take home and show.

When you first arrive at South Bay, pop along to the Foxy Club to find out more about the fun in store for your children. Foxy Club times are at 10 in the morning and again at 6 in the evening when they also sit down to a supervised Foxy Club meal. These are special half-priced children's meals presented in Foxy Fun Boxes with a FREE gift for them to collect and treasure. If your children are under 8, you should accompany them and join in the fun.

Please note that any of the above may be subject to change and availability.
