Avast!

Come to

The Brixham Pirate Festival 2012 for a weekend bursting with entertainment for young and old around the harbour, Brixham, Devon!

Saturday 5th and Sunday 6th May

Live music, games, re-enactments, skirmish on the Golden Hind, record attempt & fancy dress competition. Thousands of pirates. Come to watch or dress up and join in. Everyone is welcome.

We held the Guinness world record in 2010

'Biggest Gathering of Pirates' - 1744 Pirates on 2nd May.

What is there to see at Torbay Steam Fair 2012

There will of course be numerous Steam Engines, from very large ones to toy size models. Many of the engines will be working as they were during their working days. They will be driving fairground rides, big saws (cutting timber), threshing drums (which separate the corn from the stem) ploughing and hauling heavy loads.

There will be many vintage and classic cars, motorbikes, commercial vehicles, tractors (some working), old farm engines and of course the usual Military Display. The models and craft tent will be full to the brim once more, whilst there will be a good selection of market stalls to browse around and purchase something nice. Displays ranging from old blowlamps to salt & pepper pots add to the flavour.
